Genesis 9:13 • BSB

"I have set My rainbow in the clouds, and it will be a sign of the covenant between Me and the earth."

What's Happening?

After the great flood, God made a covenant with Noah, his family, and every living creature. God promised never again to send a flood to destroy the earth, and He put the rainbow in the clouds as the sign of His promise.

Let's Talk About It!

God keeps every promise He makes. "For all the promises of God are 'Yes' in Christ." (2 Corinthians 1:20, BSB) His greatest promise kept was sending Jesus to rescue us. What promise will you thank God for today?

Activity Zone

Rainbow search! Look around the room for something in each color of the rainbow: red, orange, yellow, green, blue, and purple. For every color you find, name one thing God has promised or done. Adult supervision recommended.
